

DAVID: A MAN OF PASSION & DESTINY
A SONG OF TRIUMPH
2 SAMUEL 22

The Heart of the Matter

Pressure. We all respond differently to it. Some people do their best work under pressure. Others go into shut-down mode and wait for the intensity to pass. When David found the pressures of life weighing heavily on his shoulders, he often expressed his prayers to the Lord through song. Nearing the end of his life, with the pressures almost more than he could handle, David penned one of his greatest works, a song of triumph in the Lord's strength and provision.

Discovering the Way

1. Nearing the End of Life

David had been through much in his life, seeing both the good times and the bad times. In spite of the struggles, he continued in faithfulness to the Lord even as he neared the end of his life.

2. David's Song of Triumph (2 Samuel 22)

David's song affirms that the Lord is our only security in tough times, our only light in dark days, our only power when our resolve is weak, and our only hope for a hazy future.

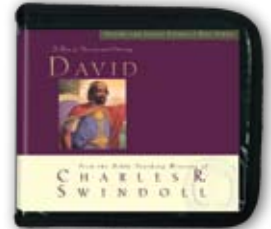

Starting Your Journey

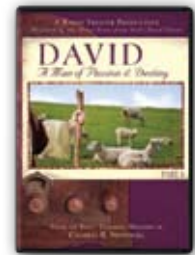

As you read David's song, remember that in spite of the difficulties that life brings, the Lord can see you through.
