

# LIFE LESSONS JUST FOR WOMEN

## THE WOMAN WHO FEARS THE LORD

PROVERBS 31

### The Heart of the Matter

The fear of the Lord stands as one of the significant emphases of the book of Proverbs. It involves following God with reverence and taking His direction seriously. Yet this has become an increasingly rare and invaluable quality in a culture, both inside and outside the church, that promotes striking out on our own and making our own personal needs and desires primary. To counter this, Proverbs offers today's woman guidance on becoming a woman who fears the Lord.

### Discovering the Way

#### 1. Traits of a Godly Woman (Proverbs 31)

Godly women are rare and invaluable, and those who are also married present four distinct qualities to their husbands.

#### 2. A Woman Who Fears the Lord (Proverbs 9:10)

Godly women live by the guidance and direction God provides. Five qualities distinguish women who live according to the fear of the Lord.

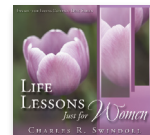

### Starting Your Journey

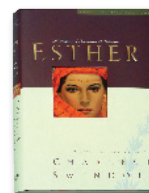

Pursuing a life under God's guidance can lead one of two ways: to a path of rigidity that takes the joy out of life, or to a spirit of grace that makes life easier for everyone. Choose the more balanced approach as you seek to live in the fear of the Lord.
