

SOLOMON  
NEEDED: A GODLY MIND  
SELECTED SCRIPTURES

### The Heart of the Matter

The mind is the battlefield where God and Satan square off. It is the war-torn territory where good and evil face each other. It is here that conscience unsheathes its sword to clash against expedience, that conviction bares its arm against temptation, and that character raises its flag against corruption. Every important battle is first fought in the mind. And it is a battle we dare not lose if we wish to be godly.

### Discovering the Way

#### 1. The Battle for the Mind (Ephesians 6:10–13)

In the battle for the mind, we must be prepared. Paul described the battlefield and offered a battle cry and a basic strategy.

#### 2. The Strategy of Our Enemy (Selected Scriptures from 2 Corinthians)

In the battle for the mind, we must know the strategy of our enemy, the Devil.

#### 3. Storming the Fortress of the Mind (Selected Scriptures from 2 Corinthians)

In the battle for the mind, we must breach the walls of speculations, tear down the lofty towers of knowledge, and capture every thought for Christ.

### Starting Your Journey

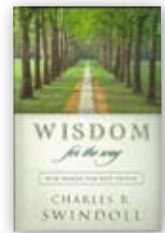

In the battle for the mind, we do not fight a fleshly enemy. So our weapons cannot be fleshly. Therefore, if we are to win the battle for the mind, we must employ the spiritual weapon of God's Word by reading, studying, and memorizing Scripture.
