Dear friends,

I want you to have the same life-changing experience!

As a seasoned traveler of Israel, I know that one of the best ways to deepen your faith is by stepping through the places where history and the Bible come to life. The Israel Tour is an incredible journey of discovery that invites you to experience the roots of your faith and to know God more intimately.

The Israel Tour will take you to some of the most significant sites in the Bible, including the Mount of Beatitudes where Jesus taught, and the Garden of Gethsemane where he prayed. You'll also get to sail the Sea of Galilee and visit places where Jesus walked on water and calmed the storm. All along the way, I'll be teaching from God's Word, and we'll worship at the Mount of Olives.

I want you to walk along those sacred sites and seriously pray about joining us. Then book your reservation! I can't wait to start planning the trip of a lifetime together.

Charles R. Swindoll

A NOTE FROM CHUCK ABOUT SAFETY IN ISRAEL

I want to assure you that our tours to Israel have been exceptional. Of course, there are some extraordinary exceptions where there may be tension. We have experienced and have been personally trained in matters of security. While we have experienced some challenge in planning the tour, in our time here we have had no trouble. We have been able to see sites that might be difficult to get to and gain the support of both Inspiration Cruises & Tours and the Israel Ministry of Tourism. We look forward to helping you experience this special place and will do our best to ensure the safety and comfort of our group.
