

LIFE LESSONS JUST FOR MEN
A VOTE IN FAVOR OF FATHERHOOD
SELECTED SCRIPTURES

The Heart of the Matter

We live in a generation that portrays fathers as idiotic and unnecessary, blaming them for all our hang-ups and foibles. Without question, fathers are imperfect. But no matter how “average” they may be, fathers deserve respect. So, here’s to you, dear old dad—we vote in your favor.

Discovering the Way

1. Cast a Vote in Favor of a Father’s Role

Dads may fill many roles, but the roles of provider, maintainer, and instructor are certainly worthy of our vote of respect.

2. Cast a Vote in Favor of a Father’s Relationships

Loving the mother of your children and loving the children of your wife are two ways to “stuff the ballot box” in your favor.

Starting Your Journey

Every dad makes mistakes, but almost all fathers have also left lasting benefits. Maybe it’s time we stop pointing fingers at fathers and applaud them instead. Maybe it’s time to call our dads and say, “Thanks for being my dad.”
