POETS, PROPHETS, AND PROMISES—A SURVEY OF JOB–DANIEL
JOB: MAGNIFICENT MAN OF MISERY
A SURVEY OF JOB

The Heart of the Matter

The subject of pain and suffering is a popular one for a very simple reason—humans experience a lot of it. At this very moment, vast numbers of people around the globe are enduring physical and emotional trauma—heartache, illness, death. Ours is a life of suffering. We enter the world crying. We walk through the world with our shoulders bent into the fiery blast and icy blizzard of affliction. We leave the world in death. As one writer put it: “Man is born for trouble, / As sparks fly upward.” Who offered this insight? A philosopher in an ivory tower or a monk in a cloistered monastery? No. These words dripped with pain from the pen of a flesh-and-blood sufferer. These words came from the pen of Job.

Discovering the Way

1. A Brief Glimpse into the Life of Job

At forty-two chapters, the book of Job is long . . . too long to cover every highlight in one sermon, but we can get a brief glimpse of the book's five major sections.

2. Surveying the Depths of Job's Suffering

Every sufferer asks the question, “Where is God?” Job, in his own way, asked the same question. And the book that bears his name answers that God is there at the beginning, middle, and end.

Starting Your Journey

Passing over the painful sores of Job leads us to conclude that answers to suffering are not easy to come by. We learn from Job that our ultimate and final comfort comes not from answers to our questions but from God Himself. Finite, human reason is a deceptively weak crutch for faith. Reason gropes in the dark for answers. Faith waits silently for God.
